

# Barry Railway Carriage Trust

Help us get Barry Railway coach 163 running on the Severn Valley Railway for its 125<sup>th</sup> Anniversary in 2020

Become a *Member* or *Supporter* of the **Barry Railway Carriage Trust** and help us achieve our aim.

We need to raise over £20,000 over the next 4 years if we are to get 163 into service for its 125<sup>th</sup> Anniversary.

Most of this money will be spent putting the coach through Kidderminster carriage works to ensure it is fit for service on the Severn Valley Railway.

We could also do with more assistance. Could you help work on the coach or with fundraising? We have something for most people.

**Can you help us complete this 25 year project?**

If you can please either donate or become a member of the

**Barry Railway Carriage Trust**

Your help will be very much appreciated and you can help get the oldest carriage on the SVR running again, for the first time since 1928.
